

Isle of Wight STREET PASTORS

Each Friday we hand out flip-flops to people struggling to walk home in their heels and water to those who need rehydrating; help people get home; chat with people who need to talk; help people who have been hurt and sit with people in distress.

Street Pastors are Christian volunteers who want to show their care for society in a practical way, helping people and being a positive presence on the streets of our towns at night.

On the Streets of Ryde and Newport every Friday

Be Part of It

If you want to get involved with Street Pastors there are opportunities for new volunteer Street Pastors, or you can pray, support us financially or just say hi to one of us out on the streets!

See our website for more information or call David Ouston, SP Co-ordinator on 07952 617712.
